## What is Happening this Fall.

We are off to a great start! This summer was a huge success in showing just how strong the Groton Long Point Community really is. The Centennial Committee surpassed the goal of \$100,000 with the help of many donors and we want to **THANK YOU ALL** for the wonderful support!

We are now in the first stages of construction for the Shaded Pavilion. The Clark Hall Renovations will begin on January, 15<sup>th</sup> 2021 with a finish date in April.
