# Happy Spring!

The Groton Long Point Association Centennial Committee

100 Years!

## HAPPY BIRTHDAY!

Centennial Birthday Celebration

Sunday, May 30<sup>th</sup>, 2021 - 1:00pm-3:00pm

Keep a look out for details.

### Centennial Gifts

#### Clark Hall

Wow! Clark Hall looks fantastic. The results of the upgrades to Clark Hall are Beautiful! The new woodwork, ceiling, ceiling fans, painting, windows and floors give the hall a fresh new look along with better ventilation. New window treatments will be installed in the next few weeks. The new lighting fixtures will be installed in June.

#### Shaded Pavilion

The Pavilion is installed and looks great. Electrical was installed this week and a single large fan will be installed in time for the fun events to come this summer. The Centennial Committee is looking into purchasing outdoor furniture. We are looking forward to seeing everyone enjoying this new space!

### The Groton Long Point Tour of Historic Homes & GLPWO

Due to the timing of COVID vaccinations and after a great deal of consideration, discussions with homeowner's involved, and the GLPWO Board, they have decided to **postpone** this tour until the following summer.

**New Date:** Thursday, July 7, 2022 (rain date, Friday, July 8, 2022). Ticket holders will receive a link to a video with tour highlights and historic insights.

We are excited that the GLP Tour of Historic Homes could be a Grand Finale of the Centennial Year and the kickoff of a new century of our rich history.

### Groton Long Point's Historic House Sign Project

The Centennial Committee has received over 90 applications from Groton Long Point homes that are 75 years or older. The Historic House Signs have been created for these homes and we look forward to seeing them displayed this summer!

If you have questions in regard to the Historic House Sign project, please email Valerie Gange: [gange@comcast.net](mailto:gange@comcast.net)
