OF
The GROTON LONG POINT Association, Inc.
Revised 01 July 2023

SECTION I
General Regulations

1. No person shall vend, hawk, peddle, distribute, deliver or advertise for sale upon the streets, roads, ways or waters within the territorial limits of the Association, any goods, wares or other merchandise at any private or public sale or auction, or shall peddle, vend or solicit sales of such articles from house to house within said limits, unless such person shall have secured a license for such purpose. No person shall distribute leaflets or their printed material without a permit from the Board of Directors. There shall be no demonstrations or picketing within the territorial limits of the Association except as otherwise may be permitted by law and approved by the Board of Directors. This Section shall not apply to or affect those sales or persons specifically exempted by the laws of the State of Connecticut.
2. No person shall ride or use any bicycle, skateboard, roller skates, roller blades, scooters or other hazardous wheeled equipment upon Association buildings, tennis courts, docks, sidewalks or boardwalks. This Section shall not apply to the footpaths around the lagoon.
3. No person shall cause any litter or dump garbage, trash, refuse or recycling within the territorial limits of the Association, including the water and beaches thereof. The term beach or beaches as used in these ordinances refers to any and all waterfront areas. This prohibition also includes depositing household trash and/or recycling in GLPA trash or recycling containers, including dumpsters. All such materials shall be kept in a hard covered container so located as not to constitute a health menace or a nuisance to neighbors. All garbage, trash, refuse, and recycling shall be secured, at all times, so that it does not become loose, detached, or littered.
4. No person shall add to or remove from the property of the Association any sand, gravel, rocks, dirt, trees, or in any way change the topography within the territorial limits of the Association. No person shall deface, destroy, alter, remove, or otherwise injure in any manner any structures, buildings, vegetation, earth, or rock material that lies on property belonging to the Association without prior approval of the Board of Directors. No person shall prevent residents from using Association property by installing or allowing any form of fence, wall, planting, or other mechanisms to block access to subject property.

5. Hunting, discharging of or carrying firearms without permit, and using archery equipment or other weapons, including but not limited to air rifles and slingshot, are not permitted within the territorial limits of the Association without the approval of the Board of Directors and the Chief of Police.
6. No vehicle of any kind shall be operated on any of the beaches, marshes or other real estate owned by the Association without authorization by the Police Department. The operation of vehicles on public highways or driveways, and parking lots owned by the Association is not prohibited by this ordinance.
7. No person shall discard or abandon, or knowingly permit to be discarded or abandoned on property within his control, outdoors or within any unlocked building or structure, any refrigerator, ice box or other container which has an airtight door or lid, without having removed such door or lid.
8. Dogs
 - a. No dog shall be permitted to roam at large and no dog shall at any time be allowed on any beach or boardwalk. No person shall harbor any dog that creates a nuisance by continuous barking or whining. All dogs not on the owner or keepers' property shall be on a leash of no more than ten feet in length and held by the owner or keeper of said dog. Owners or keepers of dogs shall be responsible for the immediate removal of any feces discharged by said dog when such discharge occurs off the owner's or keeper's property. All residents must ensure that their pets do not cause an inconvenience for neighbors and other property owners.
 - b. The owner or keeper of any dog transported to, or permanently or temporarily housed within, the jurisdiction of the Groton Long Point Association shall make available the current rabies vaccination certificate or copy thereof in accordance with C.G.S. 22-339c. Upon request, in connection with the investigation of a dog bite or attack incident, said certificate shall be made available in a timely fashion to any officer of the Groton Long Point Police Department.
9. No person shall excavate or do any construction work in or upon the highway, streets, ways, bridges, and sidewalks except in accordance with a permit. The applicant for such permit shall contain a description of the work to be performed as well as a site plan and date of completion. All such work shall be performed so as to cause the least possible inconvenience to the public. The permit may contain reasonable conditions to ensure proper performance. A performance bond may be required. The permittee shall comply with all directives of the Building Official and Zoning Official made necessary by field conditions. The Building Official or Zoning Official may revoke any such permit for non-compliance with permit conditions or field directives.
10. No person shall erect any temporary or permanent structure or store any vehicle, trailer, boat or other object or material on the property of the

association except in areas specifically designated for such or upon prior approval of the Board of Directors.

11. Noise generated by construction activities shall be limited to the hours between 8:00AM and 6:00PM on weekdays. No exterior construction activities will be allowed on Saturdays, Sundays, and on legal holidays and from July 1 through Labor Day except in an emergency. Construction activities are defined as any and all physical activity at a site necessary or incidental to the erection, placement, demolition, assembling, altering, blasting, cleaning, repairing, installing or equipping of building or other structures, roads, parks, utility line or other property, and shall include but not be limited to land clearing, grading, excavating, filling and paving. During the period from October 15 through the weekend prior to Memorial Day weekend, exclusive of holidays and holiday weekends, construction activities with the exception of heavy duty construction are allowed on Saturdays from 9:00 AM to 5:00 PM. Heavy-duty construction includes, but is not limited to, demolition, excavation, foundation work, concrete pouring, structural steel work, and any heavy machinery operation.
