ZONING BOARD OF APPEALS**

APPLICATION FOR PUBLIC HEARING

Enclosed is an application form for requesting a public hearing by the Zoning Board of Appeals.

The statutes governing the ZBA application and hearing process are Connecticut General Statutes, Chapter 124, Title 8, Sections 8-5 through 8-8 and other statutes, available on line at: http://search.cga.state.ct.us/dtsearch_pub_statutes.html. For assistance in filing for a public hearing with the ZBA, an applicant may want to consult a Connecticut land-use attorney. The applicable Groton Long Point Zoning Regulations are those as presented on the GLP website at the time of the Zoning Permit Application: <http://www.grotonlongpointassociation.org>, under “Building and Zoning”.

Some of the provisions of the governing statutes which might be helpful include:

The GLP ZBA is made up of five regular members and three alternate members who are Groton Long Point homeowners, your neighbors.

The ZBA will hear: cases in which a homeowner believes a decision of the Zoning Enforcement Officer is in error; cases for which a homeowner requests the variance of, or relief from, some provision(s) of the GLP Zoning Regulations; case requesting Special Exceptions or Exemptions as delineated in the GLP Zoning Regulations. Variances, to be granted, must be based on an “unusual hardship” or “extreme difficulty”, unique to the particular parcel of property, that would be incurred if “literal enforcement” of the Zoning Regulations were to be made.

An application for ZBA action should be made to the Clerk of the Groton Long Point Association, Attn. ZBA, P.O. Box 3737, Groton Long Point CT 06340. The “day of receipt” of an application is the day of the next regularly scheduled meeting of the ZBA immediately following the day of submission of a completed application to the ZBA, or 35 days after the submission, whichever is sooner; and the ZBA is required to commence the public hearing within 65 days thereafter. Every effort is made by your ZBA to expedite those statutory time limits.

Questions regarding this process may be directed to the Zoning Enforcement Officer at: 860-572-8885.
